***Jerusalem's Old City: A Confluence of Faiths***— Enter through the sacred gates to a labyrinth of winding cobblestone streets, densely packed inside an area less than a single square mile.

In spite of its diminutive size, the walled Old City is of great symbolic importance for Judaism, Christianity, and Islam.

Journey to venerable locations that have existed for thirty centuries. Stroll the Via Dolorosa, or Way of Sorrows, to the Church of the Holy Sepulchre, the site of Jesus Christ's crucifixion, burial, and resurrection.

Experience the solemnity of the Western Wall, the only surviving remnant of Judaism's most sacred shrine, the Temple Mount. Gaze in awe at the Dome of the Rock, one of the world's great architectural masterpieces. For Muslims, this is the site of the Prophet Muhammad's ascension to Heaven.
